## História

Myriad é uma família de fontes, sem-serifa, concebida por Robert Slimbach, Carol Twombly, e a equipe de design da Adobe Systems. É uma das muitas fontes semelhantes à Frutiger de Adrian Frutiger.

A Miriad Pro, uma família de fontes criada mais tarde, por volta de 1998, inclui mais variantes da Myriad, desde o Light ao Black, do Condensed ao Extended, e também caracteres do alfabeto grego, cirílico e da europa central.
